

## EasyTicket.Cash 'wall-mount'

Ticket buying made easy – cashless and independent of opening hours.

**Space-saving installation  
and easy maintenance.**

### Expand your business activities

- Sell tickets any time and any place  
Tickets can be sold around the clock and at additional sale stations, like railway stations, shops, universities, etc.

### More time for your customers

- Better service at your sale stations
- EasyTicket.Cash does the routine sales and
  - Your staff have more time for providing individual advice

### Convenience for your customers

- Cashless – easy, safe and quick
  - Straight for the fun, without waiting time at sale stations
  - Customers can select their own language
- Voice Guidance provides additional help.

### Flexible Pick-up Function

- Online booking and payment services save time and give your customers flexibility.
- When your customers purchase ski passes in the web shop, they will receive a reservation number.
  - Customers can then pick up their tickets at any time by entering the reservation number at a ticket vending machine.
